March 22, 2020

Good evening. As part of the governor's request, Clark County Public Schools will remain closed through April 17, 2020. Our plan is to return to school on Monday, April 20, 2020. We will continue to prepare breakfast and lunch meals for our students at the same locations as last week. For a list of current locations please go to our district website at www.clarkschools.net.

We will continue to have NTI work for students during all days we are out of school. If you have any questions about this work, parents, guardians, or students can contact their school Monday through Friday between the hours of 8:00 AM and 2:00 PM.

We sincerely regret that our schools are closed and their teachers and staff can't be with your students at this time. However, it is our desire to support the efforts to stop the spread of the COVID-19 virus while doing all we can to support our students, staff, and our Clark County families.

Thank you,

Paul Christy
Superintendent
