

# Family Assurance of Student Health

Please assess your child every morning:

- Before** going to the bus stop, or arriving at school, check your child's temperature, if it is above 100.4 do not go to school
- Before** going to the bus stop, or arriving at school, make sure your child does not have a sore throat, or other signs of illness like a cough, diarrhea, severe headache, vomiting, or body aches
- Before** going to the bus stop, or arriving at school, if you know your child has been in close contact with a COVID-19 case, do not go to school. Follow the CDC guidelines for when someone has been exposed <https://www.cdc.gov/coronavirus/2019-ncov/php/public-health-recommendations.html>
- Before** going to the bus stop, or arriving at school, review proper hand washing techniques, safe sneezing/coughing, maintaining safe distances, & proper mask wearing
- Parents** must notify their child's school should their student test positive or has been advised to quarantine due to exposure to COVID-19

We are all responsible for the health and safety of our students, peers, staff, and community members.
